Application Documents

! Supporting documents are not required to initially submit your application for a grant. Documents are required to be uploaded within 14 days of application submission before your application will be processed for approval. If documents are not uploaded within 14 days of you application being submitted, your application will be terminated. You may reapply for a grant at a later date.

i The upload documents section below is designated to allow you to upload documents electronically and transmit them to the Strengthen Alabama Homes Program. The Strengthen Alabama Homes administrator is notified each time you upload a document.

Please upload the appropriate document in each section by clicking on the appropriate icon below. All uploaded documents should be in **PDF format**, SAH will not consider GIF's or other formats as a valid documents.

You may only upload one .pdf file for each required document. If you have multiple pages such as insurance declaration pages and your 1040 which is at least two pages, please combine all pages into one document as a single .pdf file, then upload.

For insurance documents, we only need to receive the declaration page. For income verification, please only upload a copy of your IRS Form 1040 or similar document. We need all pages of the form to include your signature page and social security number (Please do not send supporting documents such as W-2's, Schedule A, etc.) If we need additional information to verify income, we will contact you.
